

Collaboration

Determine the competency you would like to evaluate keeping in mind the four dimensions: Knowledge, Value, Ability, and Behavior. Then, select the self-evaluation statement(s) below that corresponds to the competency you would like to evaluate. The self-evaluation statements for Knowledge, Value, and Ability all begin with the same prompt which is listed above the Knowledge self-evaluation statement. The self-evaluation statement for Behavior begins with a different prompt which is listed above the Behavior self-evaluation statement. These self-evaluation statements may be copied onto a paper evaluation form or integrated into an online evaluation.

Please place an X in the box that most accurately indicates your level of competency development as a result of participating in _____.

Knowledge

| | Did not increase | Slightly increased | Moderately increased | Greatly increased |
|---|------------------|--------------------|----------------------|-------------------|
| My understanding of how to collaborate effectively. | | | | |

Value

| | Did not increase | Slightly increased | Moderately increased | Greatly increased |
|---|------------------|--------------------|----------------------|-------------------|
| The value I place on collaborating effectively. | | | | |

Ability

| | Did not increase | Slightly increased | Moderately increased | Greatly increased |
|---|------------------|--------------------|----------------------|-------------------|
| The skills I need to collaborate effectively. | | | | |

Please place an X in the box that most accurately indicates your level of engagement in the following competency during your participation in _____.

Behavior

| | I did not | I did to some extent | I did |
|--------------------------|-----------|----------------------|-------|
| Collaborate effectively. | | | |
