Verbal Communication

Determine the competency you would like to evaluate keeping in mind the four dimensions: Knowledge, Value, Ability, and Behavior. Then, select the self-evaluation statement(s) below that corresponds to the competency you would like to evaluate. The self-evaluation statements for Knowledge, Value, and Ability all begin with the same prompt which is listed above the Knowledge self-evaluation statement. The self-evaluation statement for Behavior begins with a different prompt which is listed above the Behavior self-evaluation statement. These self-evaluation statements may be copied onto a paper evaluation form or integrated into an online evaluation.

self-evaluation statement. The self-evaluation statement for Behavior begins with a different prompt which is listed above the Behavior self-evaluation statement. These self-evaluation statements may be copied onto a paper evaluation form or integrated into an online evaluation.
